

THANK YOU TO A LONGTIME SUPPORTER OF GILLIS CENTER

Gillis would like to give a big thank you to the Promotional Products Association of the Midwest. Last week, Bill Wilder and Ted Fuehr came to Gillis to present us with funds raised at the association's annual golf tournament. This year, the association chose Gillis as the recipient.

Mr. Wilder (left) and Mr. Fuehr (right) present our CEO, Mary Ellen Schaid with the goodwill of the Promotional Products Assoc. of the Midwest.

Mr. Fuehr has supported our efforts to help Kansas City area children and families for a long time. In the past, he was involved with our Antique show, and through his involvement with Leawood Boy Scout Troop # 10, he has encouraged many scouts to do projects with Gillis.

We certainly could never do all we do for Kansas City without people like Mr. Fuehr, and the great people in the Promotional Products Association of the Midwest. If you are looking for some great promotional ideas for your company or organization, you can contact Mr. Fuehr at 913-681-6100 or Mr. Wilder at 913-894-8489.

If your business or professional organization is interested in helping Gillis, coming for a tour, or having a speaker come to you to let your employees know more about the good work we're doing in this community, please give us a call at 816-508-3548.
